The following item was called up for consideration:

The Chief Executive Officer's recommendation to approve and authorize the Chief Probation Officer to prepare and execute amendment to contract with the RAND Corporation to extend the contract term for six months, to continue to evaluate programs funded under the Juvenile Justice Crime Prevention Act (JJCPA), at an estimated maximum amount of \$125,000, fully financed by JJCPA funds, effective August 19, 2007 through February 18, 2008.

Robert B. Taylor, Chief Probation Officer, responded to questions posed by the Board.

After discussion, Supervisor Antonovich made the following statement:

"The past several years have presented the Probation Department with unique challenges on several different fronts. Many of these challenges were stimulated by audits conducted by Thompson, Cobb, Bazilio & Associates, PC (TCBA) and the Child Welfare League of America (CWLA), as well as an investigation by the Department of Justice, which resulted in a Memorandum of Agreement between the Justice Department and the County. It needs to be said that the Department has undergone remarkable changes which include embarking upon the implementation of the Title IV-E Wavier and shifting strategies to align with Evidence-Based Practices (EBP) and camp redesign. All of these efforts are aimed to significantly improve the Department's performance on multiple fronts.

"In response to the challenges and achievements of the Department, the Board has invested a significant amount of resources and expects positive outcomes for the youth in the juvenile justice system. The Department's improvement efforts and application of these resources should be driven by outcomes that are clearly identified and supported by strategies aligned with EBP and measured in a consistent and ongoing manner."
